8. Drinking Water Wells

It was decided that the amounts at the credit of the Drinking Water Wells Fund might be distributed to the Village Panchayets. The grants would be absolute and would accumulate if not spent. District Boards may be requested to give as grants to Panchayets whatever they were spending so far on Drinking Water Wells. Government would include the amount they were previously granting for this purpose in the annual grant to Panchayets. The amount for wells should be earmarked.

Refer: 1 Reference is invited to para 2 of G.O No L 3059-12 LB 25-26-14 dated the 12th November 1926 & it was pointed out therein that the balances at the Credit of Drinking Water Wells Fund should be utilised for the special purpose intended & not for the general requirements of the Board.

Refer: 2 Orders have also been issued that all grants for Village Panchayets will in future be outright grants. No L 3432-41/LB 110-26-1 dated 26 November 1926.

Refer: 3. As regards the proposal to request the Dt Boards to give as grants to Panchayets whatever they were spending so far on Drinking Water wells, action may perhaps be taken soon after the new Boards come into existence.

Refer 4 The ear marking of grant to Panchayets for wells is a point which perhaps to be noted in the Financial Branch for action at the Budget time. If approved action may be invited to this Separate provision Subd. will have to be made in the State Budget for Drinking water wells apart from grants for Rural Reconstruction & the Dts will have to keep separate accounts for Drinking water wells, as the amount will first be credited to Drinking water wells or separate accounts

A single set of Please draft Rules embodying all the orders recently passed, to modify previous orders re wells & V.I. works — flagging the present rules. ~~or book~~ I believe there was a printed Compilation re V.I. works

The main changes now brought about are that ~~to the~~ for both hereafter a Contribution is made by Govt, & the amount of Contribution in money or labour due ~~made~~ by the Panchayat has now been ~~decided~~ settled. Its procedure better if there is no detailed estimate & if discretion is left to D.C & the Panchayats

2. G.O.No.R.153-162/R.M.2-25-1 dated 11th July 1925 fixing the villagers' contribution for Village Improvement Works at one-half of the cost of the works, the other half being contributed by the Government.

2. G.O.No.5248-59 San.38-12-38 dated 6th January 1915 ~~directing that under the~~ giving larger facilities for constructing Drinking Water Wells ~~scheme~~, and directing that no wells ~~no~~ should ordinarily be sanctioned unless the Villagers concerned contribute half the cost of sinking ...

3. G.O.No.800-10 L.B.12-15-1/dated 2 July 1915 directing the opening ~~of~~ under District Fund a head called "Drinking Water Wells Fund" and the creating of the contributions from the Government, the District Board and the Villagers ~~being audited under the head to the fund~~ to the fund, the fund being ear-marked for sinking wells in the District and not being mixed up with the general balance of the District Fund.

4. G.O.No.2360-70 Ml.30-18-5 dated 16th August 1919 directing that:-

(a) Ordinarily the Villagers contribution on account of sinking Drinking Water wells be fixed at one-third of the cost of the well:

(b) the contribution will be waived in the case of wells sunk for the depressed classes, a n d

(c) in villages where distress prevails, or where there is danger of ~~xxxxxxx~~ cholera breaking out, wells may be constructed wholly at the cost of Govt. the discretion being exercised by the Deputy Commissioners of - Districts.

(5) G.O.No.L.1908-12/L.B.51-20-7 dated the 28th Sept ~~July~~ 1921 directing that in ~~the~~ cases of drinking water wells constructed in villages where village Panchayets have ~~xxxx~~ been constituted under the Local Boards and Village Panchayets Regulation of 1918 no special contribution need be levied but a contribution of two-thirds of the cost of the well to be sunk may be given to the Village Panchayet concerned from the Drinking Water Wells Fund ~~placed~~ at the disposal of the District Board.

6. G.O.No.R.153-162/R.M.2-25-1 dated 11th July 1925 fixing the villagers' contribution for Village Improvement Works at one-half of the cost of the works, the other half being contributed by the Government.

7. G.O.No.L.4542-71 L.B.104-24-1 dated 23rd December 1924, pasing orders on the further development of Local Boards and stating among ~~any~~ other things that the village Improvement Committees will be abolished and that grants for village Improvements will be made by Government direct to the Panchayets, instead of through the District Boards.

8. G.O.No.L.3024-31 L.B 26-26-~~32~~ dated 12th November 1926 issuing instructions regarding the maintenance of a ledger of villages with and without drinking water wells in each Taluk in the State.

9. G.O.No.L.3305-13 L.B.51-26-14 dated 18th November 1926 ~~accepting the view~~ directing that whatever

the objects for which grants from Government are made to the village Panchayets they should be treated as an outright grants to them, and placing a sum of Rs.1/- lakh at the disposal of the Deputy Commissioners to be distributed among the village Panchayets which stand in need of financial help to start with.

9. G.O.No.L.3432-41 L.B.110-26-1 dated 26th November 1926 directing that after the Village Panchayet Regulation comes into force the moneys given as Government grants for rural reconstruction whether for construction of Drinking Water wells or Village Improvement Works should be treated as absolute grants to be distributed by the Deputy Commissioner among the Village Panchatyets concerned.

ORDER NO.L. 4720-38/83 | 32-26-24
Dated, Bangalore, the 20th January 1927.

In modification of the orders read above the Government are pleased to direct that from and after the 1st of February 1927, the following instructions be observed in regard to supply of water for domestic purposes in villages and other rural reconstruction works or purposes to be undertaken by Village Panchayets under the Mysore Village Panchayet Regulation:-

I Drinking water wells.

1. Each Amildar and Deputy Amildar should maintain in his office a ledger containing a complete list of villages with and without drinking water wells, the condition of the existing wells and the action taken from time to time to supply wells in villages where no wells exist at present.

2. A definite programme of wells to be

constructed from year to year should be drawn up and submitted to the Deputy Commissioner by by the end of January every year

3. The Deputy Commissioner will consolidate the demand of the several Taluks and submit the total demand for each District under -- Drinking Water Wells so as to rach Government before the end of February with a view to enable the Government to settle the provision required to be made in the State Budget for drinking water wells in each year. Cases -- wherein estimates are ready and which could be taken up and completed ~~in the year alone~~ within a year should be entered in the programme, special attention being paid to hatties ~~xxx~~ or villages occupied by Adikarnatakas or Adidravidas.

4. Ordinarily, a contribution of two-thirds of the cost of the well will be made by the Deputy Commissioner to the Village Panchayet which will meet the remaining cost of the -- well from the amount of taxes ~~xxx~~ levied under Sections 36 and 37 of the Village Panchayet Regulation.

5. In the case of wells intended for depressed classes and when distress prevails or when there is danger of ~~the~~ cholera breaking out, well may be constructed wholly at the cost of Govt.

6. All grants made to Village Panchayets for water supply will be treated as absolute and outright grants and credited to the Village Panchayet Fund.

7 The needs of the several Panchayets should be ascertained and the amount placed at his disposal ~~of the Deputy Commissioner~~ should be distributed according to the circumstances of each case and to the extent that may conveniently be found possible.

by the Dy Com

8. The Sub-Division officers should inspect the wells during their tours.

9. A half yearly progress report of Drinking water wells in each Taluk or Sub-Taluk should be submitted by the Amildar or Deputy Amildar to the Deputy Commissioner who will send a consolidated report to Government along with his own review of the Reports of the V. P's of his District.

II. Rural reconstruction other than drinking Water Wells.

1. The amount placed at the disposal of the Deputy Commissioner for making grants for village improvements other than water supply should be distributed according to the circumstances of each case and to the extent that may conveniently be found possible.

2. Grants will be made for such works or purposes as the Deputy Commissioner considers necessary subject to the conditions and restrictions that may be imposed by the Govt. from time to time.

3. When such grants are made it will ordinarily be a contribution of one-half of the cost of the improvement work, the other half being met by the Village Panchayet from the proceeds of the taxes levied under Sections 36 and 37 of the Village Panchayet Regulation.

4. It will be open to the Deputy Commissioner to sanction in special cases for reasons to be recorded by him, the entire cost of the work or any portion thereof in excess of or less than that given in Rule 3.

5. All grants made to Panchayets for Village Improvements will be treated as absolute and outright grants and credited to the ---

the Village Panchayet Fund.

7. Government Order No. L. 4542-71—L. B. 104-24-1, dated 23rd December 1924, passing orders on the further development of Local Boards and stating among other things that the Village Improvement Committees will be abolished and that grants for Village Improvements will be made by Government direct to the Panchayets instead of through the District Boards.

8. Government Order No. L. 3024-31—L. B. 26-26-83, dated 12th November 1926, issuing instructions regarding the maintenance of a ledger of villages with and without drinking water wells in each Taluk in the State.

No. L. 4720-38—L. B. 52-26-24, dated 20th January 1927.

9. Government Order No. L. 3305-13—L. B. 51-26-14, dated 18th November 1926, directing that whatever be the objects for which grants from Government are made to the Village Panchayets they should be treated as outright grants to them, and placing a sum of Rupees one lakh at the disposal of the Deputy Commissioners to be distributed among the Village Panchayets which stand in need of financial help to start with.

10. Government Order No. L. 3432-41—L. B. 110-26-1, dated 26th November 1926, directing that after the Village Panchayet Regulation comes into force all moneys given as Government grants for rural reconstruction, whether for construction of Drinking Water Wells or Village Improvement Works should be treated as absolute grants to be distributed by the Deputy Commissioners among the Village Panchayets concerned.

Order No. L. 4720-38—L. B. 52-26-24, dated 20th January 1927.

Government are pleased to direct that from and after the 1st of February 1927, the following instructions be observed in regard to supply of water for domestic purposes in villages and other rural reconstruction works or purposes to be undertaken by Village Panchayets under the Mysore Village Panchayet Regulation.

I. *Drinking Water Wells.*—1. Each Amildar and Deputy Amildar should maintain in his Office a ledger containing a complete list of Villages with and without drinking water wells, the condition of the existing wells and the action taken from time to time to supply wells in villages where no wells exist at present.

2. A definite programme of wells to be constructed from year to year should be drawn up and submitted to the Deputy Commissioner by the end of January every year.

3. The Deputy Commissioner will consolidate the demand of the several Taluks and submit the total demand for each District under Drinking Water Wells so as to reach Government before the end of February with a view to enable the Government to settle the provision required to be made in the State Budget for drinking water wells in each year. Cases wherein estimates are ready and which could be taken up and completed within a year should be entered in the programme, special attention being paid to hatties or villages occupied by Adikarnatakas or Adidravidas.

4. Ordinarily, a contribution of two-thirds of the cost of the well will be made by the Deputy Commissioner to the Village Panchayet which will meet the remaining cost of the well from the amount of taxes levied under Sections 36 and 37 of the Village Panchayet Regulation.

5. In the case of wells intended for depressed classes and when distress prevails or when there is danger of Cholera breaking out, wells may be constructed wholly at the cost of Government.

6. All grants made to Village Panchayets for water supply will be treated as absolute and outright grants and credited to the Village Panchayet Fund.

7. The needs of the several Panchayets should be ascertained by the Deputy Commissioner and the amount placed at his disposal should be distributed according to the circumstances of each case and to the extent that may conveniently be found possible.

8. The Sub-Division Officers should inspect the wells during their tours.

9. A half-yearly progress report of Drinking Water Wells in each Taluk or Sub-Taluk should be submitted by the Amildar or Deputy Amildar to the Deputy Commissioner who will send a consolidated report of his District with his review thereon to Government along with the review of the Administration reports of the Village Panchayets of his District.

II. *Rural Reconstruction other than Drinking Water Wells.*—1. The amount placed at the disposal of the Deputy Commissioner for making grants for Village Improvements other than water supply should be distributed according to the circumstances of each case and to the extent that may conveniently be found possible.

2. Grants will be made for such works or purposes as the Deputy Commissioner considers necessary subject to the conditions and restrictions that may be imposed by the Government from time to time.

3. When such grants are made it would ordinarily be a contribution of one-half of the cost of the improvement work, the other half being met by the Village Panchayet from the proceeds of the taxes levied under Sections 36 and 37 of the Village Panchayet Regulation.

No. L. 4720-38—L. B. 32-26-24, DATED 20TH JANUARY 1927.

4. It will be open to the Deputy Commissioner to sanction in special cases and for reasons to be recorded by him, the entire cost of the work or any portion thereof in excess of or less than the proportion given in Rule 3.

5. All grants made to Panchayets for Village Improvements will be treated as absolute and outright grants and credited to the Village Panchayet Fund.
